Order entered: 10/11/2011

SCHEDULING ORDER

This Docket involves an investigation into the Integrated Resource Plan ("IRP") filed by the Town of Stowe Electric Department ("Stowe"). In an Order issued March 31, 2011, the Public Service Board ("Board") granted a motion by Stowe to extend the schedule in this Docket. Under the amended schedule, the date for Stowe to file its revised IRP was extended from February 25, to June 1, 2011, and the Department of Public Service's ("Department") recommendations on Stowe's revised IRP were to be filed by July 1, 2011.

On May 25, 2011, Stowe filed a motion to further amend the schedule to extend the date for it to file its revised IRP to August 5, 2011.

On August 5, 2011, Stowe filed its revised IRP and a motion for approval of the revised IRP. The Department has not filed any recommendations on Stowe's revised IRP.

The Department is requested to file its recommendations on Stowe's revised IRP by November 30, 2011. If the Department believes that it will not be able to file its recommendations by that date, it should file a proposed alternative schedule by October 31, 2011.

So ORDERED.

Dated at Montpelier, Vermont, this 11th day of October, 2011.
